Manufacturing & Distribution Team

Somerset CPAs

We understand the business and financial concerns of manufacturers and distributors. We have developed a diverse team of specialists with **industry-specific knowledge and experience** who become an integral part of our clients' businesses.

We provide the information and guidance our clients need to meet today's demanding economic environment. Our professionals have a sound understanding of manufacturing and distribution practices and provide services, support and strategic thinking to help you succeed.

Somerset's Manufacturing & Distribution Team provides **comprehensive business and financial services**. We help clients master and move beyond the fundamentals to seek new and better ways of doing business through technological innovation, process efficiencies, accurate inventory management, cost reduction, effective allocation of resources, effective tax strategies and more. Our industry-focused professionals provide strategies and solutions that are customized for each unique business. They also work with you through implementation of these strategies.

Our **commitment to excellence** allows us to offer access to resources unparalleled by other CPA firms. Work with the professionals who are **passionate** about helping their manufacturing and distribution clients succeed.

Find out how Somerset CPAs can help you look at your manufacturing & distribution business in a new way. **Call 317-472-2200 or 800-469-7206** today and request a complimentary initial consultation.
